## Description

"Hanuka" has been lovingly re-built and completely restored from the ground up to A classic 30ft Halvorsen timber cruiser built by Lars Halvorsen and Son in 1952, concourse condition - with no expense spared.

Arguably the best 30ft 'Halvo' on Sydney waters, Hanuka is powered by a (new) Yanmar 110hp turbo diesel engine with very low hours. Her 3-year restoration (which was completed in October 2010) was undertaken with the view to retain all her original charm - whilst not ignoring today's lifestyle expectations.

Kept at Cottage Point under full covers and fastidiously maintained, Hanuka sleeps up to 5 comfortably. She offers the perfect holiday opportunity for couples or families alike.

Inclusions: electric winch, teak decks (over fibreglass), stainless steel anchor, large eutectic fridge, depth sounder, large freshwater storage capacity, gas hot water to head and galley, fully equipped galley with gas oven & 3 burner hotplate, waste holding tank - to name a few.

Inspection by appointment only.

"Hanuka" is now being offered for sale as a 1/3 share of which we have 2 available.
